

# Dream+

Design by Paolo Scagnellato

Série **Dream+** je rozšířením a pokračováním velmi úspěšné řady Dream. Židle Dream+ na první pohled zaujmou moderním atraktivním designem, jehož nejvýraznější prvek – perforované opěradlo – je charakteristické pro všechny modely série Dream+.

The **Dream+** range builds on and expands the highly successful Dream range. With its trademark perforated backrest, Dream+ chairs will immediately catch your eye thanks to their alluring, contemporary design.

Die Serie **Dream+** stellt eine Erweiterung der erfolgreichen Produktpalette Dream dar. Ihr Markenzeichen, die gelochte Rückenlehne, ist ein Blickfang für das faszinierende und moderne Design der Produktlinie Dream+.

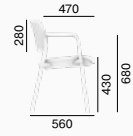

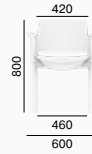

La série **Dream+** est une extension et une continuation de la série très réussie Dream. À première vue, les chaises Dream + impressionnent par leur design moderne et attrayant, dont l'élément le plus distinctif - le dossier perforé - est caractéristique pour tous les modèles de la série Dream+.
