

Harmony Modern

Design by Baldanzi & Novelli

Designér této série, Alessandro Novelli, popsal **Harmony Modern** jako novou klasiku. Nová, jako design a technologie, klasika jako komfort a elegantní tvary. Celočalouněná pracovní křesla nabízíme ve dvou výškách opěradla. Konferenční křesla lze kombinovat s širokou škálou podnoží. Nejluxusnějším modelem celé série je křeslo se skrytou mechanikou v sedáku, které drží absolutní čistotu designu a zároveň poskytuje pohodlné a ergonomické sezení. Harmony Modern se hodí do designových interiérů různého typu – od restaurací, kaváren, zasedacích místností, kanceláří, až po soukromé prostory.

The designer of this series, Alessandro Novelli, described **Harmony Modern** as a new classic. New for design and technology, classic for comfort and elegance. The fully upholstered task chairs come with two backrest heights. Conference chairs can be combined with a wide range of bases. The most luxurious model of the series is an armchair with a hidden mechanism in the seat, which maintains an absolute design purity while providing comfortable and ergonomic seating. Harmony Modern is suitable for various design interiors – from restaurants, cafes, meeting rooms, and offices to private spaces.

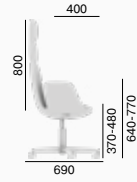

Der Designer der Prouktlinie, Alessandro Novelli, beschreibt **Harmony Modern** als neuen Klassiker. Neu in Design und Technologie, klassisch in Komfort und Eleganz. Die vollgepolsterten Bürodrehstühle sind in zwei Rückenlehnenhöhen erhältlich. Beiden Besucherstühlen stehen eine große Auswahl an Gestellvarianten zur Wahl. Das Topmodell der Serie verfügt über eine komplett im Sitz eingebaute Synchronautomatik, eine Symbiose aus puristisches Design mit komfortablen und ergonomischen Sitzen. Harmony Modern ist passend zu verschiedenen Arten von Inneneinrichtungen, u.a. Restaurants, Cafés, Besprechungsräume, Büros und Privaträume.

Le concepteur de cette série, Alessandro Novelli, a décrit **Harmony Modern** comme un nouveau classique. Nouveau, comme le design et la technologie, classique comme le confort et les formes élégantes. Nous proposons des sièges de travail entièrement rembourrés en deux hauteurs de dossier. Les chaises de conférence peuvent être combinées avec une large gamme de bases. Le modèle le plus luxueux de toute la série est un fauteuil avec un mécanisme caché dans l'assise, qui maintient le design complètement absolu et offre en même temps une assise confortable et ergonomique. Harmony Modern convient aux intérieurs design de différents types - des restaurants, cafés, salles de réunion, bureaux aux espaces privés.
