

# Pluto

Design by Ambostudio

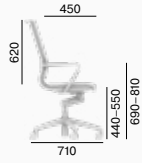

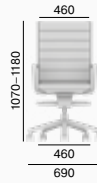

**Pluto** je série židlí, která bude vynikat v každém interiéru. Chromovaný rám židle působivě ladí s transparentní síťovinou či moderními odstíny čalounění. Pluto je charakteristické souhrou designu a užitných vlastností.

The **Pluto** collection will stand out in any interior. The chrome frame contrasts with the transparent mesh and contemporary shades of upholstery. Pluto conveys a harmony of design and function.

**Pluto** ist ein herausragendes Design-Element für Ihre Inneneinrichtung. Der verchromte Rahmen der Sitzschale bietet den perfekten Kontrast zum transparenten Netzgewebe oder der modernen Flachpolsterung. Pluto steht für den Einklang von Design und Funktion.

La collection **Pluto** s'intègre harmonieusement dans tous les environnements. Le métal chromé est associé intelligemment avec une maille transparente et un capitonnage contemporain. Pluto, l'harmonie entre design et fonction.
