

# Meeting Port

Design by Filip Streit

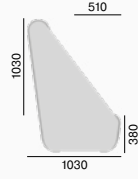

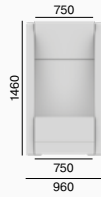

**Meeting Port** je vynikající řešení pro ty, kdo potřebují v rámci pracoviště prostor pro klidná jednání nebo práci vyžadující soustředění. Meeting Port také nabízí jedinečnou možnost propojení s modulárním systémem Open Port. Toto řešení nabízí nekonečné množství variant.

**Meeting Port** is an excellent solution for anyone who needs space for quiet work meetings or whose work demands concentration. Meeting Port offers a unique combination with the Open Port modular system, a solution which offers an endless number of variations.

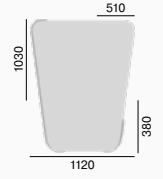

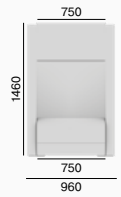

**Meeting Port** ist eine exzellente Raum-in-Raum-Lösung für den Besprechungsbereich. Die Gestaltung von Meeting Port ermöglicht eine ruhige und ungestörte Arbeitsatmosphäre. Wir empfehlen passend zu Meeting Port die vielseitigen Varianten des modularen Innenraumsystems Open Port.

Le **Meeting Port** est une solution idéale pour ceux qui nécessitent l'espace dans le cadre de leur lieu de travail pour des négociations calmes ou le travail nécessitant la concentration. Le Meeting Port offre également la possibilité unique de connexion avec un système modulaire Open Port. Cette solution propose d'innombrable quantité de variantes.
